

Industry Training: VEDN 4

Note: This is training specified by industry, it is **not** Nationally Recognised Training.

Unit Name: VEDN Auditor Training (VEDN 4).

Course owner: Victorian Electrical Distribution Networks (VEDN), a committee of the Victorian Electrical Supply industry (VESI) which is responsible for accrediting contractors who are involved in the civil aspects of underground electrical infrastructure works.

Course Content / Usage:

This course is designed to provide an introduction to auditing works to be undertaken in a VEDN environment. Note that there are further classifications within the broad “Auditor” category that may require additional training and qualifications.

Unit Entry Requirements:

- Installation of Underground Electrical Infrastructure (VEDN 1).
- To be able to operate on site you will be required to hold a White Card (CPCWHS100A Work safely in the construction industry), it is recommended this is obtained before attending this course.

Duration: Initial – 6 hours, Refresher 4 hours

Location: ESITC or workplace nominated facility

Mode of delivery: Face to face

Participants: Individual and group bookings available

Entry Requirements:

- As an auditor you will be required to read, interpret and document compliance to technical standards. A medium level of literacy, numeracy and writing skills are therefore required.

Outcome:

- On successful completion of this course, students will be issued with a **Certificate of Completion** from ESI Training & Consulting Pty Ltd.

Industry Training: VEDN 4
